Kia Kaha Trophy

Congratulations to Cormac for receiving the Kia kaha trophy last week. Cormac consistently follows our school values of car, share, dare as well as participating in extra curriculum activities.

Kia ora e te whānau,

Excitement is building as we count down to our school gala this Saturday! This is always a special event on our school calendar, bringing together our ākongā, whānau, and the wider community for a day of fun, connection, and support for our kura.

A huge thank you to the incredible team who have been working tirelessly behind the scenes to organise and drive this event. Your dedication and effort do not go unnoticed, and we are truly grateful for all you are doing to make this day a success.

At this stage, the weather is looking okay, and we are committed to going ahead no matter what. If needed, we will modify some activities, but our aim is to run as much of the programme as possible. Rain or shine, we are looking forward to a fantastic day!

Next term, we are excited to be introducing house groups across our school. We believe these will add a sense of fun, provide great leadership opportunities for our house leaders, and further build whanaungatanga among our ākongā. House groups will bring another layer of connection and school spirit, and we look forward to seeing them in action.

If you need to contact the school after 2:30pm please ring the landline as the mobile is unattended. The number is 315 4712

This year, we are also offering students in Years 5-8 the opportunity to participate in the ICAS assessments for math's and reading. These international tests are designed for students who enjoy a challenge and want to see what. The ICAS assessments will take place in Term 3, and we encourage any interested students to give them a go! More details will be shared with whānau closer to the time.

Thank you all for your ongoing support—we can't wait to see you at the gala on Saturday!

Ngā mihi nui,
Tai Miskell
